Banging about, walking around loudly, talking loudly, slamming doors, stomping up & down stairs and Shaking things down here with vibrations.

At one point (22:28) it sounded like someone was punching the floor, was very loud and very annoying.

both of us had chest pains from stress again until half past midnight when the bigger guy that lives there went out, the other smaller guy who lives there seems to be quieter and more respectful for his neighbours.

10:30 - 1	Got up to only the dog walking around, think people upstairs were still sleeping, but we had to go straight out and feed lucy's mum's dog's and cat, got back around 1:30pm to some light bangs, nothing too bad yet.
